

Slaley First School

Friday 23rd September 2022

Dear Parents/Carers,

We have had a lovely week in school.

This week we have been reading through all of the applications for Eco-Warrior and Librarian positions and it was so hard to choose that we have decided that anyone who would like to be either will be given a chance on a rolling programme!

We will finalise lists next week, no child will be disappointed! We also have some children who would like to help Mrs Choudhury-Bancroft input the golden mile laps into the computer on a Friday lunchtime and this will be a great help to her.

All children who had their name put forward for the flu nasal spray were given it today by the community nursing team and as you can see, roofworks are continuing but the workmen have begun moving some equipment off site so it really shouldn't be too long until we are back to normal.

I hope you have a lovely weekend everyone,

See you on Monday

Mrs Hayward
