

# Slaley First School

## Friday 7<sup>th</sup> October 2022

Dear Parents/Carers,

The children have had a lovely week and have all been continuing to work hard. On Tuesday night we had visitors from a nearby school to look at Class One and Two's English books and they were blown away by the standard of work, so we are very proud of the children! Early Years children have had 'Bikeability' sessions this week and it has been great to watch them grow in confidence as they practiced their biking skills.

Our new member of staff, Danielle Parsonage has started working with us this week and she is a great asset to our team. We miss Miss Thompson so much but I have spoken to her today and she certainly will be back to help with events in school etc in the future!

### After School Club

Since covid-19, we have experienced a decline in the number of children who attend After School Club and so have decided that we will not be operating it after half term. All parents who have children who currently attend have been informed and if demand increases in the future then we will resurrect it.

Our Breakfast Club is the opposite and we have a great uptake which is good to see!

### Harvest Hampers

We will be collecting in the usual tins, fruit and vegetables etc to distribute to our community form next week. If you would like to donate any produce then we would be very grateful from Monday onwards.

We will make hampers and these will be distributed to the community on Wednesday 19<sup>th</sup>/ Thursday 20<sup>th</sup> October. (Please no perishable goods).

**Class Dojo** – If you haven't signed up, please do so! Year 4 Spelling powerpoint has been posted on Class 2 Class Story (instead of the usual School 360).

**Eco Warriors** have been doing a great job (they will be rotated on a regular basis and our current Librarians will be organising the Library on Monday next week.

Have a lovely weekend everyone,

See you all on Monday!

Kind regards, Mrs Hayward

## What is happening in the coming weeks ...
