

Slaley First School

Friday 6th October 2023

Dear Parents,

This week has been a lovely week with all things Harvest ...

Firstly, can I just say a huge thank you to everyone who donated food for our harvest hampers. We received lots of lovely items ... Thank you so much!

Pine Class delivered the hampers to the community and each and every recipient was extremely grateful, making all of our efforts worthwhile. If you scroll down you will see some photos of the hampers in school before they were delivered.

I would also like to say thank you to all of the parents who attended our Harvest Festival; we always feel really well supported and are really lucky! After the Festival, the children walked back to school and had a wonderful Harvest lunch which was made by Mrs Seymour; again there are some photos below.

On another note, Reverend Helen came to visit us today. This will most probably be her last visit as she is due to move to France soon. We wish her lots of luck and hope that she is very happy!

Next week, we have something extra exciting to look forward to; as on Wednesday, there will be a visit by some Sunderland University students and they will be delivering a session entitled 'Inside the Doctor's bag' for Larch Class and a 'Skills builder' session focusing on teamwork, leadership, creativity and leadership skills for Pine and Spruce. ... How exciting this is !!

FoSS - FoSS have two exciting initiatives which are up and coming. ...

I have already sent out details earlier today, but attached to this email are larger versions of these posters.

Have a lovely weekend everyone!
Kind regards,
Mrs Hayward
