

Slaley First School

Friday 11th October 2024

Dear Parents,

My goodness me these weeks are flying ... again! This week we have been practicing for our Harvest Festival and we are super excited to be performing this for those of you who are able to make it on Wednesday next week!

We are also delighted to let you know that last week we were informed of some fabulous news! You may remember, back in the dim and distant past, the children took part in a sponsored walk and raised money to fund our involvement in working towards gaining the Primary science Quality Mark (led by Miss Parr). Last week we were informed that we have achieved this Quality Mark and are super delighted to be sharing our news with you. I will send home a letter new week outlining exactly what this means for our school

Staffing Update - As previously mentioned, our new Teaching Assistant, Miss McMillan will join us the week after next. We are looking forward to welcoming Miss McMillan into our Slaley Family!
