

Slaley First School

Friday 17th February 2022

Dear Parents/Carers,

Happy weekend everyone! I hope you have a lovely half term and enjoy the time with your children. Thank goodness we have managed to avoid the snow and fingers crossed we don't have any over the weekend or next week.

Thank you to all who supported our film night, so many children have said how much they enjoyed it and it was so lovely to see the children having fun together. A grand total of £145 was raised for the school and this will be used to fund a livestream event from the Roald Dahl museum for classes one and two and resources for Early Years.

Have a really lovely half term break everyone,

Kind regards,
Mrs Hayward

Unscripted Photography

FINE ART PORTRAITS is photography which aims to capture character, not forced smiles. The ethos is simple, that the photos should be natural, honest and reflect the true personality of your child.

We love this idea and hope you will too. This session is not intended to replace our yearly school photos but is just a lovely additional offering for our parents.

The photography session is booked for **Thursday 31st March** but if you need any other information, then please refer to the web link below which provides both examples of these fine art portraits as well as FAQs.'
